

Fusion Design Consultants Corporate Interior Designer Role

Fusion Design Consultants, Inc. is a seasoned, successful commercial interior design firm. We are located in Boston's Innovation District -- a short walk from South Station.

Fusion Design Consultants is a positive, collaborative creative organization that thrives in a fast-paced environment. We are committed to designing exceptional workplaces that both improve the lives of ever-changing workforces and contribute to our client's business success. We strive to provide inspirational design and experiences with each project for each client.

Fusion offers a competitive salary and comprehensive benefits package including paid time off, paid holidays, health insurance, dental insurance, vision, life, short and long-term disability, matching 401(k) plan and professional development reimbursement.

We are currently seeking an experienced and accomplished Project Designer to manage and lead our Creative Services team.

Purpose of the Project Designer

The purpose of the Project Designer is designing exceptional commercial interior space that both improves the lives of our client's ever-changing workforces and contributes to their business success. Provide inspirational design and experiences with each project for each client. The Project Designer ensures their design work is delivered on time, on budget, to client specifications, and compliant with Code, Industry and Fusion Design Consultant's standards.

Role Details

- Provide conceptual design, schematic design, design development, construction documentation and construction administration services and deliverables on commercial interiors projects.
- Provide expert input and feedback and contribute to setting and managing expectations at client meetings, site visits and presentations.
- Develop space planning concepts and generate construction documents
- Select or contribute to the selection in collaboration with other project team members to the furniture systems and specifications.
- Coordinate finish plans, specifications, and material selections required for construction.
- Work with, and where directed by Project Manager, manage consultants, furniture dealers, product reps, and fabricators to meet project objectives.
- Review submittals and finish samples for project and code compliance.
- Under direction of the Project Manager, manage and/or coordinate client expectations, team, and consultant expectations, communication, and activity.
- Contribute to office activities, initiative and learning programs.
- Work productively to maximize billable hours that are within the project budget and/or that clients will pay for, generating revenue and profitability that meets or exceeds expectations.
- Continuously develop your expertise and skills to increase your value and contribution to the Company while simultaneously increasing your individual professional value.

Fusion Design Consultants Corporate Interior Designer Role

- Contribute to a respectful, trusting, cooperative, collaborative, committed, highly productive work culture.

Expected Results

- Design that meets and or exceeds all client wants and needs for their space.
